Docket No. 9299

THIRD PARTY LOCKHEED MARTIN CORPORATION'S
MOTION FOR EXTENSION OF TIME TO FILE MOTION
FOR *IN CAMERA* TREATMENT OF DESIGNATED HEARING EXHIBITS

Third party Lockheed Martin Corporation ("Lockheed Martin"), by and through undersigned counsel, hereby files this Motion for Extension of Time to File Motion for *In Camera* Treatment of Designated Hearing Exhibits. Lockheed Martin seeks an extension of the deadline to submit its motion until June 21, 2002.

On May 28, 2002, Complaint Counsel and counsel for Respondent, MSC Software Corporation ("MSC"), advised Lockheed Martin that they intended to include documents produced by Lockheed Martin and deposition testimony of five Lockheed Martin employees on their respective exhibit lists. The total number of documents on both lists amounts to over 400 documents. In addition, approximately 1000 pages of deposition testimony have been designated by Complaint Counsel and MSC on their respective exhibit lists. Complaint Counsel and MSC informed Lockheed Martin that it had until June 11, 2002, to make a motion to this court to request *in camera* treatment of any of these designated exhibits.

Lockheed Martin needs an extension of time to file a motion for *in camera* treatment due to the high volume of documents and testimony designated by Complaint Counsel and MSC on their respective exhibit lists. Under the Protective Order Governing Discovery Material, Lockheed Martin has previously designated much of these materials as "Restricted Confidential: Attorneys Eyes Only" due to the highly sensitive nature of the documents and testimony. The additional time will allow Lockheed Martin to determine exactly which documents and testimony meets the standards for *in camera* treatment.

Thus, Lockheed Martin respectfully requests that this court grant Lockheed Martin a ten-day extension to file its Motion requesting *in camera* treatment of certain documents and testimony. A proposed order is attached for the court's convenience.

Respectfully submitted,
