ORDER DISMISSING COMPLAINT

On November 17, 2011, the Federal Trade Commission issued the Administrative Complaint in this matter, having reason to believe that Respondents OSF Healthcare System (“OSF”) and Rockford Health System (“RHS”) had executed an affiliation agreement which, if consummated, would violate Section 7 of the Clayton Act, as amended, 15 U.S.C. § 18. Complaint Counsel and Respondents have now filed a Joint Motion to Dismiss Complaint, which states that the Respondents are abandoning the proposed affiliation, and have withdrawn the Hart-Scott-Rodino Notification and Report Forms they filed for the proposed transaction.¹

The Commission has determined to dismiss the Administrative Complaint without prejudice, as the most important elements of the relief set out in the Notice of Contemplated Relief in the Administrative Complaint have been accomplished without the need for further administrative litigation.² In particular, Respondents have announced that they are abandoning

the proposed affiliation, and have withdrawn the Hart-Scott-Rodino Notification and Report Forms filed for the proposed transaction. As a consequence, the Respondents would not be able to effect the proposed transaction without filing new Hart-Scott-Rodino Notification and Report Forms.

For the foregoing reasons, the Commission has determined that the public interest warrants dismissal of the Administrative Complaint in this matter. The Commission has determined to do so without prejudice, however, because it is not reaching a decision on the merits. Accordingly,

IT IS ORDERED THAT the Administrative Complaint in this matter be, and it hereby is, dismissed without prejudice.

By the Commission.
