**FREEDOM'S MOTION FOR *IN CAMERA* TREATMENT
OF CERTAIN TRIAL EXHIBITS**

Pursuant to Rule 3.45(b) of the Federal Trade Commission Rules of Practice, 16 C.F.R. § 3.45(b), the January 18, 2018 Scheduling Order¹ (“Scheduling Order”) and the December 20, 2017 Protective Order Governing Confidential Material (“Protective Order”), FIH Group Holdings, LLC (“Freedom”), by and through its counsel, seeks *in camera* treatment for certain documents containing confidential information produced in this proceeding and intended to be used as trial exhibits. These documents contain highly sensitive and proprietary information. Public disclosure of such information would result in Freedom’s competitors obtaining Freedom’s most sensitive and confidential business information, which, in the highly competitive market of prosthetic devices, would cause significant harm to Freedom’s competitive position. Accordingly, Freedom respectfully requests an order requiring the designated materials to be used at the hearing only *in camera* and maintained under seal for a definite amount of time.

¹ As amended by Order dated April 26, 2018.

PUBLIC

The documents and portions thereof for which Freedom seeks *in camera* treatment, upon thorough review of Complaint Counsel's and Respondent Counsel's Exhibit Lists,² satisfy the requirements for *in camera* treatment as set forth in Rule 3.45 and the relevant decisions of the Federal Trade Commission. The information contained in the documents designated by Freedom is "sufficiently secret and sufficiently material to [Freedom's] business that disclosure would result in serious competitive injury." *General Foods Corp.*, 95 F.T.C. 352 (1980). Even when this secret and material information is balanced against the "importance of the information in explaining the rationale of [the Commission's] decisions," the information warrants *in camera* treatment. *See id.*

The exhibits and portions thereof at issue in this motion are listed in the table attached as Exhibit "A" and copies of the exhibits are attached (in CD format) as Exhibit "B". For ease of reference, Freedom has grouped the exhibits identified in the Exhibit "A" table into the following eight categories:

1. Business Plans & Strategies
2. Contract Negotiations and Customer Contracts
3. Intellectual Property, Proprietary Information and Trade Secrets
4. Customer-Specific Documents
5. Pricing and Cost Information
6. Market Analysis Documents
7. Sales and Financial Information
8. Multiple Category Documents

² Due to the Hold Separate Agreement, Freedom has been held separate and apart from Ottobock and has not reviewed any documents belonging to any Ottobock custodian.

PUBLIC

The public exposure of the identified exhibits would result in a clearly defined, serious injury to Freedom. Freedom's motion for *in camera* treatment is fully supported by the sworn Declaration of Sean Zabaneh, Esq.³ attached hereto as Exhibit "C", which analyzes each individual exhibit listed in Exhibit "A".

I. Introduction

On December, 20, 2017, Complaint Counsel filed an Administrative Complaint (the "Complaint") against Otto Bock HealthCare North America, Inc. ("OttoBock" or "Respondent"). On May 18, 2018, Complaint Counsel provided to Respondent's Counsel its Final Proposed Exhibit List per Administrative Law Judge D. Michael Chappell's April 26, 2018 Fourth Revised Scheduling Order. Complaint Counsel's Final Proposed Exhibit List included approximately 1,885 exhibits. Respondent's Final Proposed Exhibit List was provided to Complaint Counsel on May 29, 2018, and included approximately 1,050 exhibits.

Freedom has thoroughly reviewed each proposed exhibit originating from a Freedom custodian that have been identified by either Complaint Counsel and Respondent Counsel to determine whether the confidential material included in the exhibits warrants *in camera* treatment. Freedom is aware of the important consideration the Commission places on disclosure of information to explain the rationale of its decisions. Freedom, however, is also aware that the Commission recognizes the need for parties (and nonparties) to protect confidential business information, the disclosure of which would result in serious competitive injury. *See OSF Healthcare Sys., A Corp., & Rockford Health Sys., A Corp.*, 2012 WL 1355598,

³ The Declaration in support of Freedom's Motion for *In Camera* Treatment is made by Sean Zabaneh, counsel for Freedom. Many of the documents for which Freedom seeks *in camera* treatment contain highly confidential information belonging to both Freedom and OttoBock. Due to the Hold Separate Agreement, it is appropriate for counsel to Freedom and OttoBock to have reviewed these documents for confidentiality to maintain the separation between Freedom and OttoBock. Sean Zabaneh is qualified to explain the confidential nature of the documents pursuant to the Scheduling Order, at ¶ 7, dated January 18, 2018.

PUBLIC

at *3 (F.T.C. Mar. 29, 2012). Accordingly, Freedom has narrowly tailored its request for *in camera* treatment for only that information that is sufficiently secret and material to justify Judge Chappell's order granting *in camera* treatment for the identified exhibits. Freedom has identified 1016 exhibits that warrant *in camera* treatment.

II. Argument

The Commission's Rules and precedent allow for *in camera* treatment of Freedom's identified exhibits. Due to the highly sensitive and confidential nature of the identified exhibits, and the clearly defined, serious injury Freedom will suffer if its contents became public, the identified exhibits should be granted *in camera* treatment.

A. Legal Standard

Commission Rule 3.45(b) provides that the "Administrative Law Judge shall order that such material [set forth in a motion to obtain *in camera* treatment] be placed *in camera* only after finding that its public disclosure will likely result in a clearly defined, serious injury to the person, partnership, or corporation requesting *in camera* treatment." 16 C.F.R. § 3.45(b). A ruling on *in camera* treatment, "like other questions relating to the proper, fair, and expeditious conduct of adjudicative hearings[,] is a matter within the sound discretion of the administrative law judge." *Bristol-Myers Co.*, 90 F.T.C. 455, 457 (1977).

To demonstrate that *in camera* treatment is warranted, the movant must establish that the information is "sufficiently secret and sufficiently material to the [proponent's] business that disclosure would result in serious competitive injury," and then balance that factor against the "importance of the information in explaining the rationale of the [Commission's] decisions." *General Foods Corp.*, 95 F.T.C. 352 (1980) (citing *Bristol-Myers Co.*, 90 F.T.C. 455 (1977)). In *Bristol Myers*, the Commission set forth six factors to weigh in considering whether information is sufficiently secret and material:

PUBLIC

(1) the extent to which the information is known outside of his business; (2) the extent to which it is known by employees and others involved in his business; (3) the extent of measures taken by him to guard the secrecy of the information; (4) the value of the information to him and to his competitors; (5) the amount of effort or money expended by him in developing the information; (6) the ease or difficulty with which the information could be properly acquired or duplicated by others.

Bristol-Myers Co., 90 F.T.C. 455 (1977) (citing Restatement of Torts § 757, Comment b at 6 (1939)).

The Commission has previously “recognized that it may be appropriate to provide *in camera* treatment for business records to be introduced as evidence . . . , such as business strategies, marketing plans, pricing policies, or sales documents.” *OSF Healthcare Sys., A Corp., & Rockford Health Sys., A Corp.*, 2012 WL 1355598, at *3 (holding that such business records are typically afforded two to five years of *in camera* treatment). The Commission has previously held that the “likely loss of business advantages is a good example of a ‘clearly defined, serious injury.’” *Hoechst Marion Roussel, Inc.*, 2000 FTC LEXIS 138, *6 (F.T.C. Sept. 19, 2000).

B. The Final Proposed Exhibits Subject to this Motion Meet the Standard for *In Camera* Treatment Because Their Public Disclosure Would Result in Serious, Clearly Defined Injury to Freedom.

For each of the categories of documents set forth by Freedom, the information sought to be granted *in camera* treatment are sufficiently secret and material, and the secrecy and materiality outweigh the consideration of explaining the rationale of the Commission’s decision. *See General Foods Corp.*, 95 F.T.C. 352 (1980). The Commission has previously recognized that the type of information contained within each of Freedom’s identified categories of documents deserve *in camera* treatment.

All six *Bristol Myers* factors support Freedom’s motion for *in camera* treatment. First, as a private company, none of the aforementioned information is known outside of Freedom, aside

PUBLIC

from documents between Freedom and contracting parties. Second, the information contained in these documents are only disclosed to certain Freedom employees on a need-to-know basis, or other parties that are in a contractual relationship with Freedom. Third, Freedom requires its employees to sign non-disclosure and confidentiality agreements to maintain the secrecy of this information. Fourth, the documents at issue contain highly secret and material information, such that disclosure would result in serious injury to Freedom and would be advantageous to Freedom's competitors at Freedom's expense. Fifth, Freedom expends a great amount of time and resources into developing its business strategies, which are key to its competitive advantage. Sixth, it would be nearly impossible for a non-party to properly acquire or duplicate the information contained in the documents at issue because these documents were kept confidential by Freedom. Disclosure of this information would create a "likely loss of business advantage," resulting in a "clearly defined, serious injury." *See Hoechst Marion Roussel, Inc.*, 2000 FTC LEXIS 138, *6 (F.T.C. Sept. 19, 2000). Moreover, due to the Hold Separate Agreement, Freedom is essentially a nonparty to this adjudication, and deserves "special solicitude" in its request for *in camera* treatment of its confidential business information. *See Kaiser Aluminum & Chem. Corp.*, 103 FTC 500, 500 (1984). It is therefore both appropriate and proper for the Commission to grant *in camera* treatment to the exhibits identified by Freedom.

As described in the attached Zabaneh Declaration, the documents at issue fall into seven distinct categories, with an eighth category containing documents that fall into multiple categories. The following chart lists each category of materials, the applicable paragraph discussing the category in the Zabaneh Declaration, and the time period for which Freedom requests *in camera* treatment.

<u>Category of Confidential Information</u>	<u>Declaration</u>	<u>Time Period</u>
Business Plans and Strategies	¶ 8	10 Years
Contract Negotiations and Customer Contracts <ul style="list-style-type: none"> • [Redacted – Subject to Pending Motion for In Camera Treatment] 	¶ 9 <ul style="list-style-type: none"> • ¶ 9(a) 	10 Years <ul style="list-style-type: none"> • Indefinite
Intellectual Property, Proprietary Information and Trade Secrets	¶ 10	Indefinite
Customer-Specific Information	¶ 11	10 Years
Pricing and Cost Information	¶ 12	5 Years
Market Analysis Information	¶ 13	10 Years
Sales and Financial Information	¶ 14	10 Years

If a document falls within multiple categories, Freedom requests that the category carrying the longest time period of *in camera* treatment apply.

1. BUSINESS PLANS AND STRATEGIES

Freedom seeks *in camera* treatment for documents containing business plans and strategies. This type of information has previously been held by the Commission to deserve *in camera* treatment. See *Union Oil Company of California*, 2004 WL 2458848, at *3 (F.T.C. Oct. 7, 2004) (granting motion for *in camera* treatment of “business planning” information); *Champion Spark Plug Co.*, 1982 FTC LEXIS 85 (F.T.C. Apr. 5, 1982) (granting *in camera* treatment for documents containing “overall business plans and strategies” for five years). The disclosure of these documents would harm Freedom by revealing Freedom’s current and future business plans to competitors. This would allow competitors to take advantage of any weaknesses identified by Freedom and to enact their own defensive moves to combat Freedom’s plans. Accordingly, Freedom requests that this information remain *in camera* for a period of ten

PUBLIC

years. See *In the Matter of Tronox Ltd. A Corp., et al, Respondents.*, 9377, 2018 WL 2336017, at *1 (F.T.C. May 15, 2018) (granting *in camera* treatment for a period of ten years for documents containing respondent’s “business plans”).

2. **CONTRACT NEGOTIATIONS AND CUSTOMER CONTRACTS**

Additionally, Freedom has identified certain documents containing contracts and negotiations with customers that are deserving of *in camera* treatment. Similar documents have previously been granted *in camera* treatment by the Commission. See *OSF Healthcare Sys., A Corp., & Rockford Health Sys., A Corp.*, 2012 WL 1355598, at *3 (granting motion for *in camera* treatment for “contracts with [customers] and negotiations with [customers]”). Freedom enjoys many different customer relationships, which include varying types of contracts with those customers. Disclosure of such information would harm Freedom’s customer relationships and undermine Freedom’s ability to negotiate in the future. Accordingly, Freedom requests that this information remain *in camera* for a period of ten years. *Evanston Nw. Healthcare Corp., & Enh Med. Grp., Inc.*, 2005 WL 1541539, at *2 (F.T.C. June 1, 2005) (granting *in camera* treatment, for a period of ten years, for “information related to contract negotiations and rates”).

a) **[Redacted – Subject to Pending Motion for In Camera Treatment]**

[Redacted – Subject to Pending Motion for In Camera Treatment], Freedom requests that this information remain *in camera* indefinitely.

3. **INTELLECTUAL PROPERTY, PROPRIETARY INFORMATION AND TRADE SECRETS**

Freedom requests *in camera* treatment for documents containing intellectual property, proprietary information and trade secrets, such as highly confidential technical information created at great expense to produce Freedom’s prosthetic devices. Information that is “highly proprietary and sensitive” is sufficient grounds for extending *in camera* protection. *E.I. Dupont*

PUBLIC

De Nemours & Co., 97 F.T.C. 116 (1981); *see also Union Oil Company of California*, 2004 WL 3142853, at *1 (F.T.C. Nov. 22, 2004) (granting indefinite *in camera* treatment for “trade secrets, such as secret formulas, processes, and other secret technical information”).

Accordingly, Freedom requests that this information remain *in camera* indefinitely. *See In the Matter of Tronox Ltd. A Corp., et al, Respondents.*, 9377, 2018 WL 2336017, at *1 (F.T.C. May 15, 2018) (granting indefinite *in camera* treatment for documents containing “trade secrets”).

4. CUSTOMER-SPECIFIC INFORMATION

The Final Proposed Exhibit Lists contain documents setting forth customer-specific information, which has also been held by the Commission to be deserving of *in camera* treatment. *See Polypore Int’l, Inc.*, 2009 WL 1499350, at *4 (F.T.C. May 13, 2009) (granting *in camera* treatment to “customer-specific documents”). Freedom has developed relationships with many different customers over the years. **[Redacted – Subject to Pending Motion for In Camera Treatment]**. Accordingly, Freedom requests that this highly sensitive information remain *in camera* for ten years. *See In the Matter of Tronox Ltd. A Corp., et al, Respondents.*, 9377, 2018 WL 2336017, at *1 (F.T.C. May 15, 2018) (granting *in camera* treatment for a period of ten years for “customer-specific price and volume information”).

5. PRICING AND COST INFORMATION

Documents containing pricing strategy and cost information have been granted *in camera* treatment because disclosure is likely to give unfair competitive advantages to competitors. *See Mcwane, Inc., A Corp., & Star Pipe Products, Ltd., A Ltd. P’ship*, 2012 WL 3862131, at *3 (F.T.C. Aug. 17, 2012) (granting *in camera* treatment to documents containing “pricing and cost information”); *Polypore Int’l, Inc.*, 2009 WL 1499350, at *4 (F.T.C. May 13, 2009) (granting *in camera* treatment to “costing data”); *E.I. Dupont De Nemours & Co.*, 97 F.T.C. 116 (1981)

PUBLIC

(granting *in camera* treatment to “certain lists of prices” because they would “assist its competitors if released”).

Freedom seeks *in camera* treatment for documents containing generic price and cost information of its products, as opposed to the customer-specific information in Category 4. The disclosure of Freedom’s prices and/or costs of its products would damage its relationship with its customers, its negotiating power with customers, and assist competitors by providing them with vital information that Freedom has thus far remained confidential. Accordingly, Freedom requests that this information remain *in camera* for five years. *See In the Matter of Tronox Ltd. A Corp., et al, Respondents.*, 9377, 2018 WL 2336017, at *1 (F.T.C. May 15, 2018) (granting *in camera* treatment for a period of five years for “aggregated price and volume information”).

6. MARKET ANALYSIS DOCUMENTS

Freedom seeks *in camera* treatment for documents containing market analysis, which have previously been granted *in camera* treatment by the Commission. *See Polypore Int’l, Inc.*, 2009 WL 1499350, at *4 (F.T.C. May 13, 2009) (granting *in camera* treatment to “market analysis” information); *Evanston Nw. Healthcare Corp., & Enh Med. Grp., Inc.*, 2005 WL 1541539, at *2 (F.T.C. June 1, 2005) (granting *in camera* treatment to information including “market analysis”). Freedom’s market analyses are commercially valuable to Freedom’s competitors and customers, and are inherently material to its business. Freedom’s market analyses are valuable to its competitive position in the market and provide an insight into Freedom’s future plans to better compete in the market. The value of this information to Freedom’s competitors is similar to that of Freedom’s business plans and strategies. Accordingly, Freedom requests that this information remain *in camera* for ten years. *See In the Matter of Tronox Ltd. A Corp., et al, Respondents.*, 9377, 2018 WL 2336017, at *1 (F.T.C. May

PUBLIC

15, 2018) (granting *in camera* treatment for a period of ten years for documents containing respondent's "business plans").

7. SALES AND FINANCIAL INFORMATION

Freedom seeks *in camera* treatment sales and financial information, which have also been granted *in camera* treatment by the Commission. See *ECM Biofilms, Inc., A Corp., Also d/b/a Enviroplastics Int'l*, 2014 WL 3974607, at *1 (F.T.C. Aug. 4, 2014) (granting *in camera* treatment to "financial information"). Freedom's sales data and financial information are commercially valuable to Freedom's competitors and customers, and are inherently material to its business. Disclosure of this information would undermine Freedom's negotiating power with customers and would allow competitors to obtain valuable insight into Freedom's business. Accordingly, Freedom requests that this information remain *in camera* for ten years. See *In the Matter of Impax Labs., Inc., A Corp., Respondent.*, 2017 WL 4948988, at *1 (F.T.C. Oct. 23, 2017) (granting *in camera* treatment for documents containing "financial and sales projections" for ten years).

8. MULTIPLE CATEGORIES

In addition to the aforementioned documents, some proposed exhibits contain two or more types of information warranting *in camera* treatment. As stated above, for these documents, Freedom seeks *in camera* treatment for the longer applicable period of time.

C. In Camera Treatment is Also Warranted for Possible Trial Testimony by Freedom's Witnesses

Both Respondent and Complaint Counsel have designated several Freedom employees as potential trial witnesses. If called upon, it is likely that Freedom's employees will be questioned about the topics covered by this motion. Testimony on any of these topics could result in the disclosure of the same information contained in the documents described above. Accordingly,

PUBLIC

Freedom requests that any trial testimony, either upon direct examination or cross examination by either party on any of these topics, be subject to *in camera* treatment for a period of five (5) to ten (10) years from the date of this motion.

III. Conclusion

For the foregoing reasons, and those contained in the Declaration of Sean Zabaneh, Freedom respectfully requests that this Court grant in camera protection to all documents identified in Exhibit “A” and any trial testimony pertaining to the information contained in the documents in Exhibit “A”.

PUBLIC DOCUMENT

**DECLARATION OF SEAN S. ZABANEH IN SUPPORT OF FREEDOM'S
MOTION FOR *IN CAMERA* TREATMENT OF CERTAIN TRIAL EXHIBITS**

I, Sean S. Zabaneh, Esq., make the following declaration under 28 U.S.C. § 1746.

1. I am outside counsel for FIH Group Holdings, LLC ("Freedom").
2. I submit this declaration in support of Freedom's Motion for *In Camera* Treatment (the "Motion").
3. A small number of agents acting at my direction assisted me in multiple reviews of each of the documents appearing on Exhibit "A" of Freedom's Motion for *In Camera* Treatment of Certain Trial Exhibits. These comprehensive reviews were conducted for the purpose of determining which designated exhibits contain confidential information, the public disclosure of which would cause a clearly defined, serious injury to Freedom.
4. I am personally familiar with the content of the documents identified in the Motion, the competitive significance to Freedom and the level of confidentiality associated with the subject matter therein. Based on my review of the documents identified in Exhibit "A", my knowledge of Freedom's business, and my familiarity with the confidentiality protection afforded this type of information by Freedom, I submit that the disclosure of these documents to the public and to competitors of Freedom would cause serious competitive injury to Freedom. Additionally, each document identified in Exhibit "A" has, upon production in this case, been

PUBLIC

designated “Confidential Material” pursuant to the Protective Order entered on December 20, 2017.

5. Freedom is a manufacturer of prosthetic and orthotic devices, and sells prosthetic and orthotic devices to customers in the United States and around the world. The documents identified in Exhibit “A” relate to and contain information regarding Freedom’s pricing strategy, sales and financial information, business plans and strategies, contract negotiations and customer contracts, intellectual property and proprietary information, market analyses, costing data, and customer-specific documents, all of which are critical to Freedom’s business, marketing, sales, competitiveness and profitability. Competitors and third parties with access to this information would gain a significant business advantage in the prosthetic and orthotic device marketplace at Freedom’s expense. Additionally, customers with this information could unfairly use this information to Freedom’s detriment.

6. Freedom places significant value upon maintaining the secrecy and confidentiality of the categories of documents identified in Exhibit “A”. The public disclosure of any of this critically sensitive information would be highly detrimental to Freedom. Each document is individually reviewed in turn below, and for convenience’s sake, organized by the following categories:

- a. Business Plans & Strategies
- b. Contract Negotiations and Customer Contracts
- c. Intellectual Property, Proprietary Information and Trade Secrets
- d. Customer-Specific Documents
- e. Pricing and Cost Information
- f. Market Analysis Documents

PUBLIC

g. Sales and Financial Information

h. Multiple Category Documents

7. The subject documents are also summarized in the table attached as Exhibit "A" to Freedom's Motion.

8. **Business Plans & Strategies:** Freedom has produced documents categorized as "Business Plans and Strategies," which include plans, budgets, presentations, and other forward-looking business plans. The disclosure of these documents would harm Freedom by revealing Freedom's current and future business plans to competitors. This would allow competitors to take advantage of any weaknesses identified by Freedom and to enact their own defensive plans to combat Freedom's plans. I believe this information should remain confidential.

9. **Contract Negotiations and Customer Contracts:** Freedom has produced documents that include contract negotiations and contracts with customers. The public disclosure of the information contained in these documents could harm Freedom's customer relationships and undermine Freedom's ability to negotiate in the future, thereby seriously damaging Freedom's competitive position in the market. Competitors will be able to seize on this information and further disrupt Freedom's relationships with its customers. I believe this information should remain confidential.

a) [Redacted – Subject to Pending Motion for In Camera Treatment], I believe this information should remain confidential.

10. **Intellectual Property, Proprietary Information and Trade Secrets:** Freedom has produced documents that include trade secrets, including information regarding the technical specifications for its current and future products.

PUBLIC

11. **Customer-Specific Documents**: Freedom has also produced “customer-specific documents.” [Redacted – Subject to Pending Motion for In Camera Treatment]. I believe this information should remain confidential.

12. **Pricing and Cost Information**: Freedom has also produced documents containing generic “pricing and cost information,” as opposed to the customer-specific documents. This information is also sensitive and would seriously harm Freedom if publicly disclosed. The disclosure of Freedom’s prices and/or costs of its products would damage its relationship with its customers, undermine its negotiating power with customers, and assist competitors by providing them with vital information that Freedom has thus far remained confidential. I believe this information should remain confidential.

13. **Market Analysis Documents**: Freedom has produced “market analysis documents,” which are commercially valuable to Freedom’s competitors and customers, and are inherently material to its business. Freedom’s market analyses are valuable to its competitive position in the market and provide an insight into Freedom’s future plans to better compete in the market. For instance, Freedom’s market analyses may provide a competitor with insight into an area of the market identified by Freedom as a weakness, of which a competitor can take advantage. The sensitivity of these documents is similar to that of Freedom’s business plans, as they both provide insight into future plans and disclosure would allow a competitor to stymie Freedom’s future growth. I believe this information should remain confidential.

14. **Sales and Financial Information**: Freedom has produced documents containing its “sales and financial information.” Freedom’s sales data and financial information are commercially valuable to Freedom’s competitors and customers, and are inherently material to its business. Disclosure of this information would undermine Freedom’s negotiating power with

PUBLIC

customers and would allow competitors to obtain valuable insight into Freedom's business. The public release of these materials would harm Freedom because the data can reveal Freedom's current and future plans to improve its business and compete in the market. Freedom's competitors could use these documents to plan their own competitive activities and/or unfairly undermine Freedom's plans for growth. I believe this information should remain confidential.

15. Prior to this administrative proceeding, the information contained in the document identified in Exhibit "A" has been exposed only to appropriate Freedom personnel, any parties included in the subject communications, and any contracting parties to the documents. Freedom requires its employees to sign non-disclosure and confidentiality agreements to protect and maintain the secrecy of this information. General Freedom employees do not have access to the documents containing *in camera* material. As a private company, none of the aforementioned information is in the public domain and cannot be obtained through other means.

I declare under penalty of perjury, that the above statements are true and correct.

This 15th day of June, 2018.

Washington, D.C.
