## Why Buy From West Herr?

Last year, we sold over 14,000 pre-owned vehicles (<http://westherrautogroup.cms.dealer.com/all-inventory/index.htm?search=&accountId=&compositeType=used>). There were many reasons but here are a few...

### Selection

With new vehicles arriving every day and over 1,200 used vehicles to choose from, West Herr has the largest pre-owned inventory in Western New York.

### Convenience

Free vehicle transfers to any of our 18 locations. And most of our vehicles are prepped and ready for same day express delivery! Click the logo to learn more.

### Confidence

Each vehicle goes through a rigorous multi-point inspection with our factory trained technicians. The service department grades each vehicle, and only the highest quality vehicles make it to our lots. We will never sell a vehicle with a branded title (flood damage, total loss, frame damage, etc.).

Only about 40% of the vehicles we take in on trade meet our standards. What happens to the other 60%? They get wholesaled (about 250 per week) at our auction, to other dealers in the area.

We prepare a complete history report on every vehicle. This is our 'storybook'. Inside, you will find a CARFAX report, all known service history, a detailed reconditioning report, consumer reviews, and market pricing comparisons.

### Price

We know price is important to you. That's why we use several sophisticated internet pricing tools that allow us to scan the market on a daily basis for competitive vehicle information. We are constantly adjusting our prices to provide

the best value possible. We can show you the market comparison on any vehicle, comparing factors like mileage, condition, availability, and equipment.

We do not "mark them up to mark them down" - and have found that by putting a

discounted price up front, the process is easier and more enjoyable for everyone - less negotiation, less stress.

The West Herr **IVPS** performs a comprehensive search of over 20,000 pre-owned vehicle websites every hour. These real-time results allow us to adjust our prices to the market and ensure you receive a fair price.

Also, look out for specially marked "Last Chance" vehicles for even more savings!
