Such payment must be made within 7 days of entry of this Order by electronic fund transfer in accordance with instructions previously provided by a representative of the Commission. Upon such payment, the remainder of the judgment is suspended, subject to the Subsections below.
- C. The Commission's agreement to the suspension of part of the judgment is expressly premised upon the truthfulness, accuracy, and completeness of Defendants' sworn financial statements and related documents (collectively, "financial representations") submitted to the Commission, namely:
1. the Financial Statement of Individual Defendant Eric Johnson signed on February 23, 2021, including the attachments;
  2. the Financial Statement of Corporate Defendant Automatic Funds Transfer Services, Inc. signed by Eric Johnson on February 23, 2021, including the attachments;

E. If the suspension of the judgment is lifted, the judgment becomes immediately due as to that Defendant in the amount specified in Subsection A above (which the parties stipulate only for purposes of this Section represents the consumer injury; unjust enrichment; or civil penalties alleged in the Complaint), less any payment previously made pursuant to this Section, plus interest computed from the date of entry of this Order.

C. The facts alleged in the Complaint establish all elements necessary to sustain an action by the Commission pursuant to Section 523(a)(2)(A) of the Bankruptcy Code, 11 U.S.C. § 523(a)(2)(A), and this Order will have collateral estoppel effect for such purposes.

D. Defendants agree that any portion of the judgment which represents a civil penalty owed to the government of the United States, is not compensation for actual pecuniary loss, and, therefore, as to Defendant Johnson, it is not subject to discharge under the Bankruptcy Code pursuant to 11 U.S.C. § 523(a)(7).

E. Defendants acknowledge that their Taxpayer Identification Numbers (Social Security Numbers or Employer Identification Numbers), may be used for collecting and reporting on any delinquent amount arising out of this Order, in accordance with 31 U.S.C. §7701.

Any money not used for such relief is to be deposited to the U.S. Treasury. Defendants have no right to challenge any actions the Commission or its representatives may take pursuant to this Subsection.

### §310.2 Definitions.

(a) *Acquirer* means a business organization, financial institution, or an agent of a business organization or financial institution that has authority from an organization that operates or licenses a credit card system to authorize merchants to accept, transmit, or process payment by credit card through the credit card system for money, goods or services, or anything else of value.

(b) *Attorney General* means the chief legal officer of a state.

(c) *Billing information* means any data that enables any person to access a customer's or donor's account, such as a credit card, checking, savings, share or similar account, utility bill, mortgage loan account, or debit card.

(d) *Caller identification service* means a service that allows a telephone subscriber to have the telephone number, and, where available, name of the calling party transmitted contemporaneously with the telephone call, and displayed on a device in or connected to the subscriber's telephone.

(e) *Cardholder* means a person to whom a credit card is issued or who is authorized to use a credit card on behalf of or in addition to the person to whom the credit card is issued.

(f) *Cash-to-cash money transfer* means the electronic (as defined in section 106(2) of the Electronic Signatures in Global and National Commerce Act (15 U.S.C. 7006(2)) transfer of the value of cash received from one person to another person in a different location that is sent by a money transfer provider and received in the form of cash. For purposes of this definition, *money transfer provider* means any person or financial institution that provides cash-to-cash money transfers for a person in the normal course of its business, whether or not the person holds an account with such person or financial institution. The term *cash-to-cash money transfer* includes a remittance transfer, as defined in section 919(g)(2) of the Electronic Fund Transfer Act ("EFTA"), 15 U.S.C. 1693a, that is a cash-to-cash transaction; however it does not include any transaction that is:

- (1) An electronic fund transfer as defined in section 903 of the EFTA;

For purposes of this definition, a cash reload mechanism is not itself a general-use prepaid debit card or a swipe reload process or similar method in which funds are added directly onto a person's own general-use prepaid card or account with a payment intermediary.

(h) *Charitable contribution* means any donation or gift of money or any other thing of value.

(l) *Credit card sales draft* means any record or evidence of a credit card transaction.

(m) *Credit card system* means any method or procedure used to process credit card transactions involving credit cards issued or licensed by the operator of that system.

(n) *Customer* means any person who is or may be required to pay for goods or services offered through telemarketing.

(p) *Donor* means any person solicited to make a charitable contribution.

(q) *Established business relationship* means a relationship between a seller and a consumer based on:

(r) *Free-to-pay conversion* means, in an offer or agreement to sell or provide any goods or services, a provision under which a customer receives a product or service for free for an initial period and will incur an obligation to pay for the product or service if he or she does not take affirmative action to cancel before the end of that period.

(s) *Investment opportunity* means anything, tangible or intangible, that is offered, offered for sale, sold, or traded based wholly or in part on representations, either express or implied, about past, present, or future income, profit, or appreciation.

(t) *Material* means likely to affect a person's choice of, or conduct regarding, goods or services or a charitable contribution.

(x) *Outbound telephone call* means a telephone call initiated by a telemarketer to induce the purchase of goods or services or to solicit a charitable contribution.

(y) *Person* means any individual, group, unincorporated association, limited or general partnership, corporation, or other business entity.

(z) *Preacquired account information* means any information that enables a seller or telemarketer to cause a charge to be placed against a customer's or donor's account without obtaining the account number directly from the customer or donor during the telemarketing transaction pursuant to which the account will be charged.

(aa) *Prize* means anything offered, or purportedly offered, and given, or purportedly given, to a person by chance. For purposes of this definition, chance exists if a person is guaranteed to receive an item and, at the time of the offer or purported offer, the telemarketer does not identify the specific item that the person will receive.

(bb) *Prize promotion* means:

(ff) *Telemarketer* means any person who, in connection with telemarketing, initiates or receives telephone calls to or from a customer or donor.

(gg) *Telemarketing* means a plan, program, or campaign which is conducted to induce the purchase of goods or services or a charitable contribution, by use of one or more

telephones and which involves more than one interstate telephone call. The term does not include the solicitation of sales through the mailing of a catalog which: contains a written description or illustration of the goods or services offered for sale; includes the business address of the seller; includes multiple pages of written material or illustrations; and has been issued not less frequently than once a year, when the person making the solicitation does not solicit customers by telephone but only receives calls initiated by customers in response to the catalog and during those calls takes orders only without further solicitation. For purposes of the previous sentence, the term “further solicitation” does not include providing the customer with information about, or attempting to sell, any other item included in the same catalog which prompted the customer's call or in a substantially similar catalog.

(hh) *Upselling* means soliciting the purchase of goods or services following an initial transaction during a single telephone call. The upsell is a separate telemarketing transaction, not a continuation of the initial transaction. An “external upsell” is a solicitation made by or on behalf of a seller different from the seller in the initial transaction, regardless of whether the initial transaction and the subsequent solicitation are made by the same telemarketer. An “internal upsell” is a solicitation made by or on behalf of the same seller as in the initial transaction, regardless of whether the initial transaction and subsequent solicitation are made by the same telemarketer.

#### **§310.4 Abusive telemarketing acts or practices.**

(2) Requesting or receiving payment of any fee or consideration for goods or services represented to remove derogatory information from, or improve, a person's credit history, credit record, or credit rating until:

(i) The time frame in which the seller has represented all of the goods or services will be provided to that person has expired; and

(ii) The seller has provided the person with documentation in the form of a consumer report from a consumer reporting agency demonstrating that the promised results have been achieved, such report having been issued more than six months after the results were achieved. Nothing in this Rule should be construed to affect the requirement in the Fair Credit Reporting Act, 15 U.S.C. 1681, that a consumer report may only be obtained for a specified permissible purpose;

(3) Requesting or receiving payment of any fee or consideration from a person for goods or services represented to recover or otherwise assist in the return of money or any other item of value paid for by, or promised to, that person in a previous transaction, until seven (7) business days after such money or other item is delivered to that person. This provision shall not apply to goods or services provided to a person by a licensed attorney;

(C) To the extent that debts enrolled in a service are renegotiated, settled, reduced, or otherwise altered individually, the fee or consideration either:

(1) Bears the same proportional relationship to the total fee for renegotiating, settling, reducing, or altering the terms of the entire debt balance as the individual debt amount bears to the entire debt amount. The individual debt amount and the entire debt amount are those owed at the time the debt was enrolled in the service; or

(2) Is a percentage of the amount saved as a result of the renegotiation, settlement, reduction, or alteration. The percentage charged cannot change from one individual debt to another. The amount saved is the difference between the amount owed at the time the debt was enrolled in the service and the amount actually paid to satisfy the debt.

(ii) Nothing in §310.4(a)(5)(i) prohibits requesting or requiring the customer to place funds in an account to be used for the debt relief provider's fees and for payments to creditors or debt collectors in connection with the renegotiation, settlement, reduction, or other alteration of the terms of payment or other terms of a debt, provided that:

(A) The funds are held in an account at an insured financial institution;

(B) The customer owns the funds held in the account and is paid accrued interest on the account, if any;

(C) The entity administering the account is not owned or controlled by, or in any way affiliated with, the debt relief service;

(D) The entity administering the account does not give or accept any money or other compensation in exchange for referrals of business involving the debt relief service; and

(E) The customer may withdraw from the debt relief service at any time without penalty, and must receive all funds in the account, other than funds earned by the debt relief service in compliance with §310.4(a)(5)(i)(A) through (C), within seven (7) business days of the customer's request.

(6) Disclosing or receiving, for consideration, unencrypted consumer account numbers for use in telemarketing; provided, however, that this paragraph shall not apply to the disclosure or receipt of a customer's or donor's billing information to process a payment for goods or services or a charitable contribution pursuant to a transaction;

(7) Causing billing information to be submitted for payment, directly or indirectly, without the express informed consent of the customer or donor. In any telemarketing transaction, the seller or telemarketer must obtain the express informed consent of the customer or donor to be charged for the goods or services or charitable contribution and to be charged using the identified account. In any telemarketing transaction involving preacquired account

information, the requirements in paragraphs (a)(7)(i) through (ii) of this section must be met to evidence express informed consent.

(i) In any telemarketing transaction involving preacquired account information and a free-to-pay conversion feature, the seller or telemarketer must:

(A) Obtain from the customer, at a minimum, the last four (4) digits of the account number to be charged;

(B) Obtain from the customer his or her express agreement to be charged for the goods or services and to be charged using the account number pursuant to paragraph (a)(7)(i)(A) of this section; and,

(C) Make and maintain an audio recording of the entire telemarketing transaction.

(ii) In any other telemarketing transaction involving preacquired account information not described in paragraph (a)(7)(i) of this section, the seller or telemarketer must:

(A) At a minimum, identify the account to be charged with sufficient specificity for the customer or donor to understand what account will be charged; and

(B) Obtain from the customer or donor his or her express agreement to be charged for the goods or services and to be charged using the account number identified pursuant to paragraph (a)(7)(ii)(A) of this section;

(8) Failing to transmit or cause to be transmitted the telephone number, and, when made available by the telemarketer's carrier, the name of the telemarketer, to any caller identification service in use by a recipient of a telemarketing call; provided that it shall not be a violation to substitute (for the name and phone number used in, or billed for, making the call) the name of the seller or charitable organization on behalf of which a telemarketing call is placed, and the seller's or charitable organization's customer or donor service telephone number, which is answered during regular business hours;

(9) Creating or causing to be created, directly or indirectly, a remotely created payment order as payment for goods or services offered or sold through telemarketing or as a charitable contribution solicited or sought through telemarketing; or

(10) Accepting from a customer or donor, directly or indirectly, a cash-to-cash money transfer or cash reload mechanism as payment for goods or services offered or sold through telemarketing or as a charitable contribution solicited or sought through telemarketing.

(b) *Pattern of calls.* (1) It is an abusive telemarketing act or practice and a violation of this Rule for a telemarketer to engage in, or for a seller to cause a telemarketer to engage in, the following conduct:

(i) Causing any telephone to ring, or engaging any person in telephone conversation, repeatedly or continuously with intent to annoy, abuse, or harass any person at the called number;

(ii) Denying or interfering in any way, directly or indirectly, with a person's right to be placed on any registry of names and/or telephone numbers of persons who do not wish to receive outbound telephone calls established to comply with paragraph (b)(1)(iii)(A) of this section, including, but not limited to, harassing any person who makes such a request; hanging up on that person; failing to honor the request; requiring the person to listen to a sales pitch before accepting the request; assessing a charge or fee for honoring the request; requiring a person to call a different number to submit the request; and requiring the person to identify the seller making the call or on whose behalf the call is made;

(iii) Initiating any outbound telephone call to a person when:

(A) That person previously has stated that he or she does not wish to receive an outbound telephone call made by or on behalf of the seller whose goods or services are being offered or made on behalf of the charitable organization for which a charitable contribution is being solicited; or

(B) That person's telephone number is on the "do-not-call" registry, maintained by the Commission, of persons who do not wish to receive outbound telephone calls to induce the purchase of goods or services unless the seller or telemarketer:

(1) Can demonstrate that the seller has obtained the express agreement, in writing, of such person to place calls to that person. Such written agreement shall clearly evidence such person's authorization that calls made by or on behalf of a specific party may be placed to that person, and shall include the telephone number to which the calls may be placed and the signature<sup>664</sup> of that person; or

<sup>664</sup>For purposes of this Rule, the term "signature" shall include an electronic or digital form of signature, to the extent that such form of signature is recognized as a valid signature under applicable federal law or state contract law.

(2) Can demonstrate that the seller has an established business relationship with such person, and that person has not stated that he or she does not wish to receive outbound telephone calls under paragraph (b)(1)(iii)(A) of this section; or

(iv) Abandoning any outbound telephone call. An outbound telephone call is "abandoned" under this section if a person answers it and the telemarketer does not connect the call to a sales representative within two (2) seconds of the person's completed greeting.

(v) Initiating any outbound telephone call that delivers a prerecorded message, other than a prerecorded message permitted for compliance with the call abandonment safe harbor in §310.4(b)(4)(iii), unless:

(A) In any such call to induce the purchase of any good or service, the seller has obtained from the recipient of the call an express agreement, in writing, that:

(i) The seller obtained only after a clear and conspicuous disclosure that the purpose of the agreement is to authorize the seller to place prerecorded calls to such person;

(ii) The seller obtained without requiring, directly or indirectly, that the agreement be executed as a condition of purchasing any good or service;

(iii) Evidences the willingness of the recipient of the call to receive calls that deliver prerecorded messages by or on behalf of a specific seller; and

(iv) Includes such person's telephone number and signature;<sup>665</sup> and

<sup>665</sup> For purposes of this Rule, the term "signature" shall include an electronic or digital form of signature, to the extent that such form of signature is recognized as a valid signature under applicable federal law or state contract law.

(B) In any such call to induce the purchase of any good or service, or to induce a charitable contribution from a member of, or previous donor to, a non-profit charitable organization on whose behalf the call is made, the seller or telemarketer:

(i) Allows the telephone to ring for at least fifteen (15) seconds or four (4) rings before disconnecting an unanswered call; and

(ii) Within two (2) seconds after the completed greeting of the person called, plays a prerecorded message that promptly provides the disclosures required by §310.4(d) or (e), followed immediately by a disclosure of one or both of the following:

(A) In the case of a call that could be answered in person by a consumer, that the person called can use an automated interactive voice and/or keypress-activated opt-out mechanism to assert a Do Not Call request pursuant to §310.4(b)(1)(iii)(A) at any time during the message. The mechanism must:

(1) Automatically add the number called to the seller's entity-specific Do Not Call list;

(2) Once invoked, immediately disconnect the call; and

(3) Be available for use at any time during the message; and

(B) In the case of a call that could be answered by an answering machine or voicemail service, that the person called can use a toll-free telephone number to assert a Do Not Call request pursuant to §310.4(b)(1)(iii)(A). The number provided must connect directly to an automated interactive voice or keypress-activated opt-out mechanism that:

(1) Automatically adds the number called to the seller's entity-specific Do Not Call list;

(2) Immediately thereafter disconnects the call; and

(3) Is accessible at any time throughout the duration of the telemarketing campaign; and

(iii) Complies with all other requirements of this part and other applicable federal and state laws.

(C) Any call that complies with all applicable requirements of this paragraph (v) shall not be deemed to violate §310.4(b)(1)(iv) of this part

be deemed to violate § 310.4(b)(1)(iv) of this part.

(D) This paragraph (v) shall not apply to any outbound telephone call that delivers a prerecorded healthcare message made by, or on behalf of, a covered entity or its business associate, as those terms are defined in the HIPAA Privacy Rule, 45 CFR 160.103.

(2) It is an abusive telemarketing act or practice and a violation of this Rule for any person to sell, rent, lease, purchase, or use any list established to comply with §310.4(b)(1)(iii)(A), or maintained by the Commission pursuant to §310.4(b)(1)(iii)(B), for any purpose except compliance with the provisions of this Rule or otherwise to prevent telephone calls to telephone numbers on such lists.

(3) A seller or telemarketer will not be liable for violating §310.4(b)(1)(ii) and (iii) if it can demonstrate that, as part of the seller's or telemarketer's routine business practice:

(i) It has established and implemented written procedures to comply with §310.4(b)(1)(ii) and (iii);

(ii) It has trained its personnel, and any entity assisting in its compliance, in the procedures established pursuant to §310.4(b)(3)(i);

(iii) The seller, or a telemarketer or another person acting on behalf of the seller or charitable organization, has maintained and recorded a list of telephone numbers the seller or charitable organization may not contact, in compliance with §310.4(b)(1)(iii)(A);

(iv) The seller or a telemarketer uses a process to prevent telemarketing to any telephone number on any list established pursuant to §310.4(b)(3)(iii) or 310.4(b)(1)(iii)(B), employing a version of the "do-not-call" registry obtained from the Commission no more than thirty-one (31) days prior to the date any call is made, and maintains records documenting this process;

(v) The seller or a telemarketer or another person acting on behalf of the seller or charitable organization, monitors and enforces compliance with the procedures established pursuant to §310.4(b)(3)(i); and

(vi) Any subsequent call otherwise violating paragraph (b)(1)(ii) or (iii) of this section is the result of error and not of failure to obtain any information necessary to comply with a request pursuant to paragraph (b)(1)(iii)(A) of this section not to receive further calls by or on behalf of a seller or charitable organization.

(4) A seller or telemarketer will not be liable for violating §310.4(b)(1)(iv) if:

(i) The seller or telemarketer employs technology that ensures abandonment of no more than three (3) percent of all calls answered by a person, measured over the duration of a single calling campaign, if less than 30 days, or separately over each successive 30-day period or portion thereof that the campaign continues.

(ii) The seller or telemarketer, for each telemarketing call placed, allows the telephone to ring for at least fifteen (15) seconds or four (4) rings before disconnecting an unanswered call;

(iii) Whenever a sales representative is not available to speak with the person answering the call within two (2) seconds after the person's completed greeting, the seller or telemarketer promptly plays a recorded message that states the name and telephone number of the seller on whose behalf the call was placed<sup>666</sup>; and

<sup>666</sup> This provision does not affect any seller's or telemarketer's obligation to comply with relevant state and federal laws, including but not limited to the TCPA, 47 U.S.C. 227, and 47 CFR part 64.1200.

(iv) The seller or telemarketer, in accordance with §310.5(b)-(d), retains records establishing compliance with §310.4(b)(4)(i)-(iii).

(c) *Calling time restrictions.* Without the prior consent of a person, it is an abusive telemarketing act or practice and a violation of this Rule for a telemarketer to engage in outbound telephone calls to a person's residence at any time other than between 8:00 a.m. and 9:00 p.m. local time at the called person's location.

(d) *Required oral disclosures in the sale of goods or services.* It is an abusive telemarketing act or practice and a violation of this Rule for a telemarketer in an outbound telephone call or internal or external upsell to induce the purchase of goods or services to fail to disclose truthfully, promptly, and in a clear and conspicuous manner to the person receiving the call, the following information:

- (1) The identity of the seller;
- (2) That the purpose of the call is to sell goods or services;
- (3) The nature of the goods or services; and

(4) That no purchase or payment is necessary to be able to win a prize or participate in a prize promotion if a prize promotion is offered and that any purchase or payment will not increase the person's chances of winning. This disclosure must be made before or in conjunction with the description of the prize to the person called. If requested by that person, the telemarketer must disclose the no-purchase/no-payment entry method for the prize promotion; provided, however, that, in any internal upsell for the sale of goods or services, the seller or telemarketer must provide the disclosures listed in this section only to the extent that the information in the upsell differs from the disclosures provided in the initial telemarketing transaction.

(e) *Required oral disclosures in charitable solicitations.* It is an abusive telemarketing act or practice and a violation of this Rule for a telemarketer, in an outbound telephone call to induce a charitable contribution, to fail to disclose truthfully, promptly, and in a clear and conspicuous manner to the person receiving the call, the following information:

- (1) The identity of the charitable organization on behalf of which the request is being made; and
- (2) That the purpose of the call is to solicit a charitable contribution.

### **§310.5 Recordkeeping requirements.**

(a) Any seller or telemarketer shall keep, for a period of 24 months from the date the record is produced, the following records relating to its telemarketing activities:

(1) All substantially different advertising, brochures, telemarketing scripts, and promotional materials;

(2) The name and last known address of each prize recipient and the prize awarded for prizes that are represented, directly or by implication, to have a value of \$25.00 or more;

(3) The name and last known address of each customer, the goods or services purchased, the date such goods or services were shipped or provided, and the amount paid by the customer for the goods or services;<sup>667</sup>

<sup>667</sup> For offers of consumer credit products subject to the Truth in Lending Act, 15 U.S.C. 1601 *et seq.*, and Regulation Z, 12 CFR 226, compliance with the recordkeeping requirements under the Truth in Lending Act, and Regulation Z, shall constitute compliance with §310.5(a)(3) of this Rule.

(4) The name, any fictitious name used, the last known home address and telephone number, and the job title(s) for all current and former employees directly involved in telephone sales or solicitations; provided, however, that if the seller or telemarketer permits fictitious names to be used by employees, each fictitious name must be traceable to only one specific employee; and

(5) All verifiable authorizations or records of express informed consent or express agreement required to be provided or received under this Rule.

(b) A seller or telemarketer may keep the records required by §310.5(a) in any form, and in the same manner, format, or place as they keep such records in the ordinary course of business. Failure to keep all records required by §310.5(a) shall be a violation of this Rule.

(c) The seller and the telemarketer calling on behalf of the seller may, by written agreement, allocate responsibility between themselves for the recordkeeping required by this Section. When a seller and telemarketer have entered into such an agreement, the terms of that agreement shall govern, and the seller or telemarketer, as the case may be, need not keep records that duplicate those of the other. If the agreement is unclear as to who must maintain any required record(s), or if no such agreement exists, the seller shall be responsible for complying with §§310.5(a)(1)-(3) and (5); the telemarketer shall be responsible for complying with §310.5(a)(4).

(d) In the event of any dissolution or termination of the seller's or telemarketer's business, the principal of that seller or telemarketer shall maintain all records as required under this section. In the event of any sale, assignment, or other change in ownership of the

seller's or telemarketer's business, the successor business shall maintain all records required under this section.

### **§310.8 Fee for access to the National Do Not Call Registry.**

(a) It is a violation of this Rule for any seller to initiate, or cause any telemarketer to initiate, an outbound telephone call to any person whose telephone number is within a given area code unless such seller, either directly or through another person, first has paid the annual fee, required by §310.8(c), for access to telephone numbers within that area code that are included in the National Do Not Call Registry maintained by the Commission under §310.4(b)(1)(iii)(B); provided, however, that such payment is not necessary if the seller initiates, or causes a telemarketer to initiate, calls solely to persons pursuant to §§310.4(b)(1)(iii)(B)(i) or (ii), and the seller does not access the National Do Not Call Registry for any other purpose.

(b) It is a violation of this Rule for any telemarketer, on behalf of any seller, to initiate an outbound telephone call to any person whose telephone number is within a given area code unless that seller, either directly or through another person, first has paid the annual fee, required by §310.8(c), for access to the telephone numbers within that area code that are included in the National Do Not Call Registry; provided, however, that such payment is not necessary if the seller initiates, or causes a telemarketer to initiate, calls solely to persons pursuant to §§310.4(b)(1)(iii)(B)(i) or (ii), and the seller does not access the National Do Not Call Registry for any other purpose.

(c) The annual fee, which must be paid by any person prior to obtaining access to the National Do Not Call Registry, is \$66 for each area code of data accessed, up to a maximum of \$18,044; *provided*, however, that there shall be no charge to any person for accessing the first five area codes of data, and *provided further*, that there shall be no charge to any person engaging in or causing others to engage in outbound telephone calls to consumers and who is accessing area codes of data in the National Do Not Call Registry if the person is permitted to access, but is not required to access, the National Do Not Call Registry under this Rule, 47 CFR 64.1200, or any other Federal regulation or law. No person may participate in any arrangement to share the cost of accessing the National Do Not Call Registry, including any arrangement with any telemarketer or service provider to divide the costs to access the registry among various clients of that telemarketer or service provider.

(d) Each person who pays, either directly or through another person, the annual fee set forth in paragraph (c) of this section, each person excepted under paragraph (c) from paying the annual fee, and each person excepted from paying an annual fee under §310.4(b)(1)(iii)(B), will be provided a unique account number that will allow that person to access the registry data for the selected area codes at any time for the twelve month period beginning on the first day of the month in which the person paid the fee (“the annual period”). To obtain access to additional area codes of data during the first six months of the annual period, each person required to pay the fee under paragraph (c) of this section must first pay \$66 for each additional area code of data not initially selected. To obtain access to additional area codes of data during the second six months of the annual period, each person required to pay the fee under paragraph (c) of this section must first pay \$33 for each additional area code of data not initially selected. The payment of the additional fee will permit the person to access the additional area codes of data for the remainder of the annual period.

(e) Access to the National Do Not Call Registry is limited to telemarketers, sellers, others engaged in or causing others to engage in telephone calls to consumers, service providers

acting on behalf of such persons, and any government agency that has law enforcement authority. Prior to accessing the National Do Not Call Registry, a person must provide the identifying information required by the operator of the registry to collect the fee, and must certify, under penalty of law, that the person is accessing the registry solely to comply with the provisions of this Rule or to otherwise prevent telephone calls to telephone numbers on the registry. If the person is accessing the registry on behalf of sellers, that person also must identify each of the sellers on whose behalf it is accessing the registry, must provide each seller's unique account number for access to the national registry, and must certify, under penalty of law, that the sellers will be using the information gathered from the registry solely to comply with the provisions of this Rule or otherwise to prevent telephone calls to telephone numbers on the registry.
