Dear Sir/Madam,

Please share my name, background, and contact information with those applying and being considered for the Herbalife Independent Compliance Auditor (ICA), as I have an interest in being on the chosen team.

I was an active Amway distributor for 12 years, from 1993 until 2005, as well as being an "undercover" Amway distributor for an additional 4 years. Beginning in 2005 and continuing to the present, I have researched, analyzed, and compiled the who/how/what/why/where of Amway and other MLM companies not being honest, by commission and omission. There are numerous methods and techniques used by Amway, Herbalife, and many other MLMs I can provide unique insight to the others on the ICA team, and how to effectively audit to get to the genuine facts, particularly in the area of field operations. While it may appear I am biased, I can assure you I am biased only to the facts.

I have two websites that provide an indication of my level of knowledge and commitment to protecting others from having their time and money taken from them by MLMs via illegitimate means:

<http://www.stoptheamwaytoolscam.wordpress.com/> and www.AllMLMFacts.org

I can be reached by telephone, text, mail, and/or email as described below. Thank you for your consideration.

Regards,

Scott E. Johnson
