

Results At-A-Glance: 2023 Federal Employee Viewpoint Survey Results

The Federal Trade Commission (FTC) participates in the annual Federal Employee Viewpoint Survey (FEVS), a confidential online survey, administered by the Office of Personnel Management (OPM). The FEVS contains questions designed to measure employees' perceptions in key areas such as leadership, management/ supervision, work experience, performance culture, training and development, pay, awards and recognition, inclusion, and other areas that are important in creating an effective work environment. The FEVS results provide FTC's leadership with information that is used to build upon the agency's strengths, while simultaneously addressing the agency's challenges. The FEVS was conducted from May 8, 2023, to July 7, 2023. The survey was available to all FTC non-political, full-time, and part-time federal employees who were onboard as of November 2022.

In 2023, the FTC saw improved scores in Employee Engagement, Global Satisfaction, and Diversity, Equity, Inclusion, and Accessibility (DEIA) indices, while decreasing by less than one percentage point in Performance Confidence. The FTC significantly outperformed Governmentwide results in all of the major indexes: Employee Engagement, Global Satisfaction, Performance Confidence, overall DEIA, as well as overall response rate. In addition to the established core indices, the 2023 FEVS included the results from the newly added Employee Experience Index, which measures the extent to which employees are engaged by their work and their organization. The FTC's score of 86% is significantly higher than the government-wide and other medium-sized agencies scores of 73% and 78%, respectively.

Prior year's FEVS results are posted on OPM's website at <https://www.opm.gov/fevs/>. If you have questions about FTC's FEVS, please contact [Cindee Smith](#), Human Capital Management Office.
